## PASTOR'S LETTER FOR MARCH 2017

Is it just me, or has this winter been all over the map? One day it is 50 degrees and the next it is blowing snow. One day I am looking for crocuses. The next day I am watching for polar bears.

This is frustrating as a skier. How can you plan around this kind of weather? You set a date and then work to get the calendar clear for it. Unfortunately the day arrives and it feels more like a day to get the lawn furniture ready. Then, of course, it gets cold and snows again, but everything you moved to clear the calendar is now demanding attention. The skis have been lonely this winter.

It would be nice to get this regulated. Snow when I want to ski, warm sun when I want to picnic, and enough rain to keep things growing—but only at night! As a matter of fact there are a good number of things beyond the weather that it would be nice to get under control.

It would be nice if things happened when we wanted them to happen. All babies would be planned and timed appropriately. The money would always fit neatly into the budget. Guests would show up only when it is convenient. The inevitable problems would appear only one at a time.

Unfortunately life is more helter-skelter. Things show up at the most inconvenient times. Problems seem to clump together. The kids don't listen. The cold hits at the holidays. And it snows when we have to be somewhere important on the other side of town.

Scripture says that God is the rock (psalm 18:2) God is steady even when life is not. God is reliable even when the weather is not. God is reliable even when others fail us. God is everlasting and everything else passes away.

I realize that eternal truth won't make scheduling a ski day any easier, but it does remind me to look up every now and then. It reminds me to look at the big picture. All the momentary trials and frustrations are indeed simply momentary. God's word and promises are reliable even when nothing else seems to be.

**THRIVENT  
FINANCIAL®**

*Connecting faith & finances for good.®*

## **BLESSED TO BE A BLESSING**

Each year Thrivent Financial members make an impact in their local communities through Thrivent Choice®—Thrivent’s member-advised charitable grant program. Eligible members have the opportunity to recommend where Thrivent’s charitable outreach funds go, and many choose to give back to their own congregations.

Nearly \$51.3 million in Choice Dollars® charitable grant funds were distributed to churches and other nonprofit organizations in 2016. Growing Home, a nonprofit focused on breaking the cycle of generational poverty, helped a family in need using Thrivent Choice funds:

Seth, his wife, Amy, and their children were forced to live in their Jeep after their apartment was condemned. They stayed in Growing Home’s emergency shelter for 60 days until they were able to get back on their feet. “The very first night we were in the program, Growing Home was full of love for us,” recalls Seth. “My son Connor came in and told me that he had Spider-Man sheets and blankets on his bed. It was the little things that meant so much.”

While staying at the shelter, Seth got a new job. Seth and Amy also found an apartment, but didn’t quite have enough money for the deposit and first month’s rent. With funds from Thrivent Choice, Growing Home was able to step in, and provide them with what they needed to make their transition.

Want to make a difference in the lives of others and live more generously? Thrivent Choice® is just one of the benefits of being a Thrivent member. There are thousands of organizations you can support, including your own church. Visit [Thrivent.com/thriventchoice](http://Thrivent.com/thriventchoice) to see program details and find charitable organizations to help.
