FROM THE COUNCIL PRESIDENT'S DESK

January 2026

Dear Members of St. James:

Grace, mercy and peace from God, our Father, and our Lord and Savior Jesus Christ. During this time of Christmas have you noticed how much joy and celebration that the World places in Christmas Day. There seems to be a lot of excitement before Christmas buying those special gifts, finding the perfect tree, getting the right Christmas ornaments. But after Christmas Day, suddenly we start returning our unwanted and wrong sized clothing. We tear down our Christmas trees and put away our Christmas decorations, and we remove all signs of Christmas in our homes and in businesses. We try not to do this in the Church, because we tried to celebrate the 12 days of Christmas. But so many times, we get caught up in the World and we to do the same things that the World does. We start to dismantle Christmas and Jesus in our lives. As we enter the New Year, we must decide in our own hearts and minds as to what to do with the Christmas Jesus. After we just got done with Christmas Day, when we experienced the joy of His arrival on Christmas Eve, do we also put away Jesus from our lives. Do we tear Jesus down and remove him from our lives.

I believe that we should continue to have Jesus in our lives and in our Churches for the rest of the year. Jesus should be a central theme that begins with Christmas and continues through the rest of the year particularly at the time of Easter when we celebrate His Death and Resurrection. So many times, in our lives, the World gets in the way, and we get distracted by all the craziness of the World as we face national and local crises such as stormy weather, sickness, death and grief.

We are told during the First Sunday of Christmas that God sent an Angel to Joseph to warn him about the coming army of Herod to destroy the life of the Christ child. God seems to have provided for Joseph, Mary and Jesus protection in the form a warning. Many times, in our lives, we also receive warnings about things that are going to happen in our lives. God also sends us warnings and protects us from the dangers of this World and dangers within our spiritual lives. In this coming year, you're going to have ups and downs. The one great thing that we will have in our lives is the presence of Jesus Christ. Jesus is always present in our lives because He is concern for us. Jesus sends us warnings and guides us how to avoid the problems of our lives. Yes, sometimes we receive these warnings, guidance and protection, and sometimes we don't. But the important thing is that Jesus is with us and He's there to get us through all trials and tribulations. Even though Satan and sin may try to destroy our lives, we must realize that God sends His protection and whatever is meant for evil in our lives God will make those things right and will make them for our good. So, in this coming year, I remind you that Jesus is with you each and every day. He's there to protect you and above all things He is there to save you through His Death and Resurrection. Jesus has saved us from sin, death, and the Devil. He makes our lives good in the midst of bad times because He is with us. The Church is called into this World to proclaim Christ in good and bad times, because Jesus is always with us.

I pray that you will continue to have the joy of Jesus Christ coming into the World, because He has come into the World to save us from our sins by His dying on the Cross. I pray that God's gift of Grace continues to bless you in this coming year. May you have a blessed Christmas Season and a Holy Epiphany. HAPPY NEW YEAR IN CHRIST'S NAME!!!
