MISSION STATEMENT:

**TO MAKE DISCIPLES OF JESUS CHRIST THROUGH WORD AND
SACRAMENT BY THE HOLY SPIRIT.**

FROM THE COUNCIL PRESIDENT'S DESK April 2026

Dear Members of St. James:

Grace, mercy and peace from God, our Father, and our Lord and Savior Jesus Christ. In the season of Easter, we are reminded of Jesus Christ's Resurrection. The Resurrection of Jesus Christ is a problem in the modern world, because the world does not want to believe that Jesus rose from the dead. Some in this world believe that the disciples stole the Jesus' body and others believe that Jesus was simply in a coma for three days in the tomb. Before we have to deal with Jesus's Resurrection, we must deal with His Death. Jesus' Death on the cross was a well-known fact of history. Jesus was publicly crucified outside of Jerusalem at Golgotha. No one disputes this fact. But the problem is that the world sees that the Jesus' Death was because Jesus was a victim of society. But I believe that Jesus was no victim. Jesus specifically decided to lay down His life for those who believe in Him. He died for the sins of His followers. How do I know that Jesus was not a victim? Because when Judas and temple guards came to the garden to arrest Jesus, they were confronted by Jesus and when He asked them who they were seeking, they said "Jesus of Nazareth." At this point Jesus said, "I am He" and at that moment all the soldiers stepped back and fell to the ground. This was an indication that Jesus had the power to disarm this group with just a word. Also in the Scriptures, it is said that Jesus said that if He wanted to that He could call a legion of angels to come and protect Him. If Jesus was not a victim, then He laid down His life willingly, this is why Jesus said, "I lay down My life for My friends and I have the power to lay down My life and the power to pick it up again." A victim does not lay down his life, but the man who has power can lay down his life for his friends and be a ransom for many. We also know that there is no one in the history of Rome that ever recovered from a Roman crucifixion. The one thing about Romans was that they certainly knew how to execute prisoners and Jesus was a prisoner and He was crucified. To make sure that Jesus was dead, the centurion in charge of the crucifixion used a Roman battlefield technique to make sure that Jesus or any enemy found on the battlefield would never survive by using the Roman death blow of taking a spear and plunging it into the left side of the body piercing the heart and kill the person instantly. It also was well known that Jesus also was buried in the tomb very close to the place where He was crucified.

To make sure that Jesus was dead and to make sure that no one stole His body Pontius Pilate sealed the tomb and put a contingency of soldiers there to guard the tomb.

On the third day after Jesus' crucifixion, there was a great earthquake and the stone covering the tomb was moved by an Angel as Mary Magdalene and the other Mary were approaching the tomb. These events terrified the soldiers guarding the tomb and brought fear into these women. The Angel told the women "don't be afraid" because Jesus was no longer in the tomb because He had rose from the dead. Jesus' Resurrection means that Jesus was no longer dead and He was very much alive. But as the women went to find the disciples, they also met Jesus. Jesus told them, "do not be afraid and to go and tell My brothers and sisters that He had been raised from the dead and to go to Galilee to see Him there.

I believe this message from Jesus was not only meant for His disciples and for Mary Magdalene and for the other Mary, but I believe this message was also meant for us. We do not need to be afraid, because Jesus has conquered sin, death, and the devil. We have nothing to fear, because we are free from our sins by Jesus' death on the cross and we have received salvation. If Jesus rose from the dead, he promises us that He will also give us the same type of spiritual body that He has and that we too will rise from the dead just as He did and that all the powers of evil are defeated in the name of Jesus Christ. We also must be like these women and go and tell our brothers and sisters in Christ and the world about all that Jesus has done for us. That Jesus was willing to die for our sins and He was resurrected for our salvation and that we have eternal life with Him in His Kingdom. We also must go to Galilee to see Him. Our Galilee is the Church. We must go to church to see Jesus. Each Sunday we stand before an altar that has the crucified Jesus on it, and we see His picture above the altar. During our services, we worship and praise God and praise Jesus Christ as our Lord and Savior because of His victory over sin, death, and the devil. If you want to see Jesus just come to church and believe me, you will see Him there with all of His brothers and sisters in Christ worshipping and praying to Jesus.

I pray that you will continue to have the joy of Jesus Christ in your heart during this season of Easter. I pray that you come to know Jesus Christ as I know Him as my Lord and Savior. The one who has come into the world to conquer Sin, Death, and the Devil by His Death on the Cross and His Resurrection. Only through Jesus Christ do we have salvation!! Praise be Jesus Christ!!!
